VICTORIA FALLS FEATURES

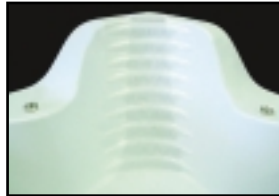

Luxury Package

A SimpleSelect™ Plus control, solid state of the art five function control with LCD display. Controls on/off, 10-speed pump, massage action, MoodScape light and waterfall on/off. Package includes the solid state in-line heater and MoodScape light.

Micro Directional Jets

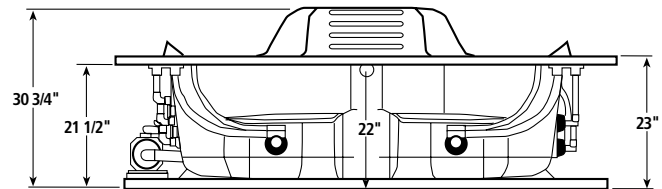

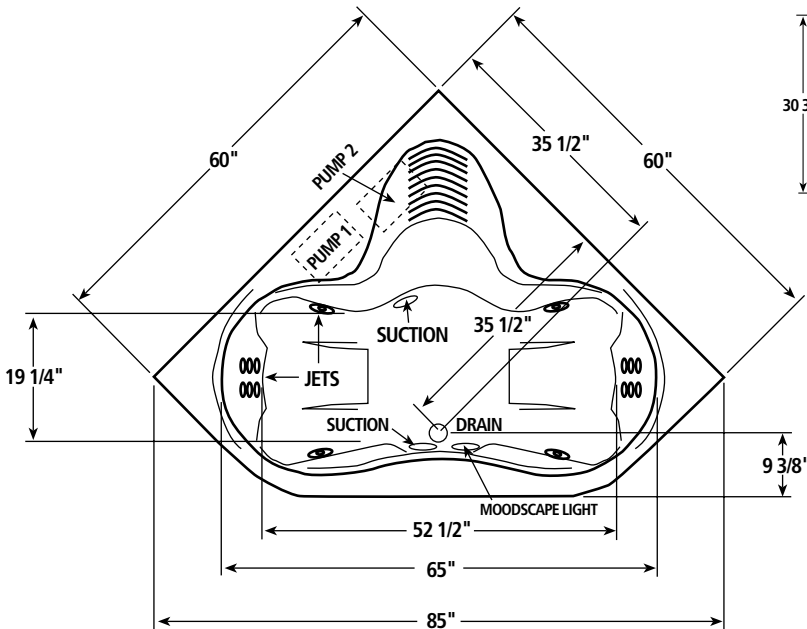

Four micro jets, adjustable in both direction and intensity, allows you to control your total hydromassage experience. Available in Color matched, Chrome, Everbrass (PVD) or Brushed Nickel.

Corner Waterfall System

Enjoy the soothing, relaxing sound of a cascading waterfall. For centuries, the calming effects of running water have been documented to relieve stress. Control the desired effect of the waterfall by simply turning it on or off with the Simple Select™ Plus control.

ROUGH-IN DIMENSIONS

INSTALLER NOTE: Due to the freeform shape of the tub shell, it is recommended that the tub be on the job before making the final cut-out for drop-in installation.

Note: Rough-in measurements may vary + - 1/4".
